GOOD MORNING,
Glad you could be with us today!

Hebrews 11:25 “Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season;”

This past week I spent an afternoon with a sledgehammer, working on renovations. While the work was satisfying and I was pleased with the result, the next day I was less thrilled when I woke up and could hardly grip anything! I definitely paid the price for what I had done. Sin is like that - we may think we got away with something but there's always a price to be paid! It may be pleasurable for a time, but one day we'll wake up and say, "Ouch!"
