GOOD MORNING,

Glad you could be with us today!

*Ephesians 5:19 "Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord;"*

Music - for centuries it has been the subject of debate, controversy and criticism in not only churches, but amongst the greater culture in general. It has been the tool of deception, vessel of compromise, and one of the most effective methods of exploiting believers that evil has available at its disposal. One truth about music that cannot, and must not, be ignored is this: **it is important.** It has also been the tool of encouragement, a vessel of revival, and one of the most effective methods of spiritual meditation for believers. With this truth we must personally consider the role music plays in our own lives! Praise God for music that brings Him glory!  
*Pastor Kyler*
